MESSAGE

I am delighted to learn that the India Trade Promotion Organization (ITPO) in association with the Ministry of Food Processing Industries and Agricultural and Processed Food Products Export Development Authority (APEDA) alongwith Apex trade bodies is organising the 37th edition of AAHAR - the International Food & Hospitality Fair from 14th to 18th March, 2023 at Pragati Maidan, New Delhi.

It gives me immense pleasure that this edition of AAHAR is giving special focus to millets as it is our Hon'ble Prime Minister Shri Narendra Modi's initiative that led to the United Nations General Assembly declaring the year 2023 as the International Year of Millets (IYM). This underlines his vision to make IYM 2023 a 'People's Movement' alongside positioning India as the 'Global Hub for Millets'.

AAHAR provides a B2B platform for the global food processing and hospitality sectors and offers excellent avenues for Indian and foreign buyers. It also offers an opportunity for companies to reconfigure their supply chains, logistics and business models. This edition of the fair will host around 1,500 exhibitors from across India and overseas with participants from several countries including the United States, United Kingdom, United Arab Emirates, Australia, Brazil, Canada, France, Germany among others.

I convey my greetings and best wishes to ITPO and all the other partner organisations for their efforts in making the AAHAR Fair a grand success.

मैं प्रगति मैदान, नई दिल्ली में 14-18 मार्च, 2023 तक आहार-इंटरनेशनल फूड एंड हॉस्पिटैलिटी फेयर आयोजित करने के लिए इंडिया ट्रेड प्रमोशन ऑर्गनाइजेशन (आईटीपीओ) को बधाई देता हूँ।

भारत का कृषि और खाद्य प्रसंस्करण क्षेत्र ने विगत कुछ वर्षों में नए आयाम प्राप्त किए हैं। भारत वैश्विक कृषि निर्यात में 2.33% की हिस्सेदारी के साथ 8वें स्थान पर है। भारत का कुल कृषि निर्यात 2021-22 में 50 बिलियन अमरीकी डालर है, जिसमें 2021-22 के दौरान भारतीय कृषि निर्यात बास्केट में एपीडा के कृषि और प्रसंस्कृत खाद्य उत्पादों के निर्यात में 51% से अधिक का योगदान है। वित्तीय वर्ष 2022-23 में भी कृषि उत्पादों के निर्यात में वृद्धि के लिए प्रयासरत है।

एपीडा ने कृषि निर्यात को बढ़ावा देने के लिए अवसंरचना विकास, बाजार विकास, गुणवत्ता विकास, बाजार पहुंच, व्यापार सुविधा पहल जैसी विभिन्न योजनाएं शुरू की हैं। परिणामस्वरूप, भारत से कृषि निर्यात की मौजूदा प्रवृत्ति में लगातार वृद्धि दर्ज की जा रही है। एपीडा उत्पादों को 200 से अधिक देशों में निर्यात किया जाता है और हमने 150 देशों से 205 देशों में अपने पदचिह्न का विस्तार किया है। अथक प्रयासों के द्वारा 100 से अधिक जीआई उत्पादों और नए उत्पादों को वैश्विक बाजार में प्रचार प्रसार के लिए प्रस्तुत किया गया, इन उत्पादों को वैश्विक स्तर पर स्वीकृति मिल रही है।

चूंकि संयुक्त राष्ट्र द्वारा, वर्ष 2023 को अंतर्राष्ट्रीय श्री अन्न वर्ष के रूप में घोषित किया गया है, एपीडा अनाज और अनाज उत्पादों, विशेष रूप से श्री अन्न के निर्यात को बढ़ावा देने के लिए भी कार्यनीति निर्मित है। वैश्विक बाजार में श्री अन्न और श्री अन्न उत्पादों की अत्यधिक संभावनाएं हैं, वैश्विक स्तर पर भारतीय श्री अन्न क्षेत्र को आहार जैसे आयोजन से अधिक प्रोत्साहन मिलेगा।

आहार अंतर्राष्ट्रीय क्रेता-विक्रेता सम्मलेन है जिसमें विश्व के विभिन्न क्षेत्रों से इस कार्यक्रम में भाग लिया जाता है और यह भारत के उद्योग को प्रचार-प्रसार एवं पहचान बनाने का माध्यम है। मुझे विश्वास है कि यह आयोजन अर्थव्यवस्था के विशेष क्षेत्रों में उपलब्धि प्राप्त करने और विकास को बढ़ावा देने में मुख्य स्रोत का कार्य करेगा। यह फूड एंड हॉस्पिटैलिटी क्षेत्रों द्वारा अपनाए गए नए उत्पादों, प्रौद्योगिकियों और प्रक्रियाओं को प्रदर्शित करने का प्लेटफॉर्म है। यह आयोजन घरेलू और वैश्विक बाजारों में खाद्य क्षेत्र के विकास के लिए प्रतिभागियों द्वारा प्रत्यक्ष रूप से विभिन्न समस्याओं पर चर्चा कर योजनाएं विकसित करने का अवसर भी है।

मैं सभी प्रदर्शकों की सफल और सार्थक भागीदारी की कामना करता हूँ।

I am delighted to announce that the Indian Trade Promotion Organisation (ITPO) is organizing the 37th edition of its highly anticipated international event, AAHAR – The International Food & Hospitality Fair 2023. As the oldest partner association of AAHAR since its inception, HOTREMAI is proud to continue its support for this event.

HOTREMAI actively participates in various ITPO-organized events in New Delhi, other cities in India, and abroad, negotiating the best deals in favor of its members. As co-associates of AAHAR, the biggest international food and hospitality fair organized by the India Trade Promotion Organisation, we are committed to facilitating our members' participation in the exhibition for a hassle-free experience.

We aim to strengthen our role for the fraternity and our members by holding associate memberships in bodies such as FICCI, ASSOCHAM, and PHD Chambers of Commerce. These associations provide easy access to government interactions on the association level. HOTREMAI ensures that its members remain informed of the latest happenings, and suggestions from our members are conveyed to the relevant authorities for two-way communication directly with a HOTREMAI member.

This approach has yielded productive results for our industry, especially during budget suggestions and recommendations towards other government policies. An individual member on their own cannot achieve this level of reach.

I would like to extend my sincere congratulations to the organizers of the AAHAR Show for making this event a resounding success, year after year. We are also grateful to the editorial staff of ITPO for producing a comprehensive Fair Guide that serves as an excellent reference book after the show.

On behalf of the Executive Committee of HOTREMAI, I would like to wish the 2023 edition of AAHAR great success!

Plant Based Foods Industry Association (PBFIA) is delighted to be a part of the 37th AAHAR Food and Hospitality Fair for the first time, where major companies will join the plant-based pavilion to showcase the incredible innovations happening in the plant-based foods ecosystem.

Plant-Based Foods are those that replace animal-based foods/ingredients such as meat, dairy, eggs, and seafood. It is a great moment for the industry to be a part of Asia's largest Food and Hospitality Trade Show, which is spotlighting Plant Proteins and Plant Based Meat as a new attraction this year. With great pleasure, we welcome all the exhibitors, visitors, government officials, buyers, sellers, investors and food enthusiasts to our pavilion in HALL NO.: 3 (Ground Floor) and HALL NO.: 5 (First Floor).

We also invite everyone to attend the conference "The Dawn of Plant-Based Age" on 14th March, the 1st day of AAHAR in HALL NO.: :8 presented by The Agricultural and Processed Food Products Export Development Authority (APEDA) & ITPO, organised by PBFIA and PHD Chamber, and supported by Franchise India. The conference is a gathering of industry professionals, policy advocates, scientists, entrepreneurs, traders, buyers, marketers, investors, and the government. It brings a great opportunity to entail discussions on the importance of getting the flavors and textures right, the plant-based dairy innovations and growth, what investors look for in plant-based food companies, the need for India to establish itself as an "Ingredients Hub" through infrastructural projects like the Plant-Protein Cluster.

"India's First Plant Protein Cluster" in Bhiwadi would provide solution to the issues the sector is facing while enabling the value-addition of pulses, millets, and coarse grains to generate high-quality protein in unique and experiential infrastructure. The PBFIA plan to catalyse and partner to develop cutting-edge facilities at 12 locations across India.

PBFIA is an apex, CEO-led body with more than 100 members in 1 year of its formation. We support the development of a robust ecosystem for the plant-based foods industry in India through strategic collaborations, by the creation of networks between stakeholders, facilitating research to enhance the capabilities of the sector, and pushing for positive policy-making and dissemination of key trends and information in the interest of its members.

I congratulate the ITPO team for making AAHAR a success and supporting PBFIA and the plant-based foods industry wholeheartedly.

My best wishes to all the participants exhibiting at AAHAR 2023.

FHSAI, was incorporated in the year 2013, with the express intent of forging active linkages and lasting relationships, amongst all its members, spanning the entire ecosystem, of the Hospitality Trade. It strives to be different, from its peers, by architecting itself, from inception, to achieve, its stated objective delineated below.

1. MEMBERSHIP: While, all who support the Hospitality Industry, thus far, have no discriminating policy, with regard to membership and regale in the numbers game, we consensually and with firm intent, have decided, to apply rigorous entry criteria, to swell our membership and ranks, to all those entities, who can meet and better our in house, exacting criteria. It is a fervent hope that having players, who benchmark with excellence, in all their endeavors, will internally create a forum, where excellence, will not just be a buzzword, to pay lip service to but will imbue all their exertions and efforts. In a world where 'change is the only constant' and a "GLOBAL MINDSET" a prerequisite, to survival, we have to excel, always, if we are to prosper. We wish to redefine and reinvent, the very paradigm, of engagement, amongst all our members, present and prospective, for them, to achieve their full potential and for us, to scale ever new heights.

2. CONNECTS: In an increasingly commoditized, world, where competitive advantages, are blunted, in a flash and blur, we shall strive to maintain a continuous communication, amongst all our members, so that we can all partake of, the best-of-breed thinking and collectively harness, our learning's, to mutual benefit. To stay contemporary and relevant, we must be alive to global currents and extant thinking, in our respective spheres. FHSAI, In an ever connected world, will strive, to create B2B2C, connects, through expos, both local and global, internal facilitation, to better interface with each other, sponsoring frequent buyer and seller meets, to help trade prosper. As a unified, coherent, cohesive whole, we are best equipped, to represent the Hospitality Trade, before regulators, Chambers of Commerce and Governments, as an interest and subsequently a pressure group, to effectively lobby, for policy changes and amendments that we collectively feel are either outdated, have outlived their purpose, or portend as bottlenecks, to the industry. We are fortunate to have as a founding member, our Exclusive Media Partner AAHAR WAYS, which has played, a sheet anchor role in bringing FHSAI this far and will underpin all efforts, in our future journey to grow and prosper. India is a young country today, by sheer demographics and as many of our Patrons, hand over the baton, to the next generation, to run their affairs, we too, will endeavor, to harness the full potency of social media, whether harnessed through a Tab, Phab, Netbook or Smartphone. In doing so, we invest in our own survival. We

must be global (Global + Local),Inour thoughts, actions and beliefs, if we are to prosper in a bewildering andtumultuous, world order.

3. THOUGHT LEADERSHIP: In a world and economy, in a constant state of churn, thought leadership, is a critical investment, to define ever new ways, of engaging, a very fickle and brittle client attention span! That said, we need to articulate new paradigms, to understand, the new consumer, with his idiosyncrasies. FHSAI, will strive, to comprehend, the new vortices of change and learn to harness, the new economy. Today, grappling with and understanding, consumer behavior, is very data driven and intensive, FHSAI, will promote just this kind of thought championing, through podcasts, webinars and white paper, in order that all our members and us, can successfully navigate, the cusps of change and disruption, that if not heeded, can decimate and ruin us.

4. REGULATORY CHANGE: All Industries, ours being no exception, are subject to a regulatory overhaul, in varying degrees, whether it's HACCP, or label integrity or new global standard's, in vogue, FHSAI, will disseminate, in near real time, amongst all its members, such changes and collectively ponder, a unified response.

5. ALTERNATE DISPUTE RESOLUTION: Despite our best efforts, often, specially in our trade, we need to face up to a trade dispute, willy nilly. As, felt by us all litigation being both expensive and counterproductive, we propose to set up, an ADR Mechanism, where mediation and sage counsel, will prevail, relative to arbitration, as it is both expeditious and frugal.

6. INSTRUMENT OF CHANGE: Charles Darwin, beautifully quoted, many eons ago" The species who survive, any calamitous change, any not the most intelligent or the strongest but the most responsive to change" FHSAI, premised on just such scaffolding, promises to be more than a breath of fresh air ! It will bring disruptive and a challenging perspective, to all the ills, that ail our Industry and collectively cobble together responses and solutions.

Let us then, galvanize our strength and harness our thinking, to discover a strength of purpose, which is lying latent, to collective gain.

About Forum of Indian Food Importers

Pragati Maidan, headquarters of the India Trade Promotion Organisation is more than just the premier exhibition complex of India. True to the meaning of its name, “Pragati Maidan” stands for development and progress through trade.

Being India’s biggest world-class exhibition complex and a symbol of the “Modern Fair Culture” in India, Pragati Maidan has grown with every event in stature and dimension. The development of the exhibition ground was a prelude to the hosting of the Railway Exhibition in 1952 to mark the centenary of Railways in India. This was followed by fairs like International Low Cost Housing Exhibition in 1955, International Graphics Art and Printing Machinery Fair in 1957, World Agriculture Fair in 1960 and Indian Industrial Exhibition in 1961. However, the sprawling complex took its shape during 1958. The seventies changed both the fair complex as well as its complexion, with the hosting of Asia 1972 – the third Asian International Trade Fair coinciding with India’s silver jubilee year of Independence. It was an important milestone, as the Indian business community could understand the potential of promotional events like the trade fairs. The fairground was rechristened as “Pragati Maidan”. In an ostensible acknowledgement of the significance of these events, the Trade Fair Authority of India (TFAI) was formed on April 1, 1977, by an Act of Parliament through the amalgamation of three bodies – Indian Council of Trade Fairs and Exhibitions, Directorate of Exhibitions and Commercial Publicity of the Ministry of Commerce and India International Trade Fair Organisation, with the primary aim of organizing trade shows.

India Trade Promotion Organisation was formed subsequently on January 1, 1992 with the merger of the former Trade Development Authority (TDA) with the TFAI. TDA was set up in 1970 as a registered Society under the Ministry of Commerce. Professionally managing India’s premier exhibition complex, ITPO has over the years reached many important milestones while performing its mandated role as the nodal trade promotion agency of the Government of India.

As a world class exhibition ground in India, Pragati Maidan hosts a series of high quality international and national trade fairs. Its exhibition halls, complete with a network of infrastructural facilities, in a lush green setting, make it the automatic choice of top-notch exhibition organizers from India and abroad.

In order to upgrade facilities at Pragati Maidan, ITPO is almost on the verge of first phase of transforming Pragati Maidan into an iconic state-of-the-art international Exhibition-cum-Convention Centre (IECC).

Pragati Maidan offers a business environment that promises to transform challenges into opportunities. Visited by top representatives and captains of trade and industry from all over India and abroad, Pragati Maidan clearly tunes into the requirements of the vast Indian and global markets.
